Dear Lake Anna Fireworks Supporter,

Thank you for your support in the past. This letter is being mailed to everyone who so generously contributed to this event last year. As a token of our appreciation, we've enclosed a sticker we hope you will display with pride. And, because of good donations in the past, we hope to improve this show and give you more bangs per minute.

Independence Day is right around the corner and your Fireworks Committee is busy planning a fireworks display to celebrate our country's birthday. We again need your help to offer the community a show even better than those we've sponsored in the past.

The fireworks show is scheduled for Saturday, July 2, 2011, at Dike 2 at 9:15 p.m. Rain date is Saturday, July 9. A map of the location and other helpful tips are enclosed.

Funding for this fireworks program comes 100% from donations designated for this event. No LACA dues or general treasury funds are used. All members of the Fireworks Committee are volunteers giving freely of their time.

Please help us again to present a show of which we all can be proud. Your check today will help reach the goal of \$22,000 needed for this year's fireworks display. Your contribution in any amount is needed to fund this holiday program. We appreciate your support and thank you for contributing to a community event which brings so many of us together to celebrate Independence Day on Lake Anna.

Sincerely,

LACA Fireworks Committee
 Mike May (Chairman), Kathy May, Ken Sadel,
